Game Description

Step right up folks and witness the incredible Cash-O-Matic™. This NetEnt slot is a 1024-bet way, 5-reel, 4-row video slot designed with the look of an old-style cash machine. The game is loaded with unique game mechanics. It features Free Spins and Multipliers, and offers a variation of the avalanche mechanic.

Free Spins galore in Cash-O-Matic! The number of Free Spins awarded equals the number of Scatter symbols collected. A minimum of 10 Free Spins are there to be won. But since you can potentially win 18 scatters on a single reel, you can win up to 18x5 scatters!

In the main game, the Level Multiplier is awarded if at least one row is filled with winning symbols. The more rows, the higher the Multiplier value. In Free Spins, the Multiplier depends on the number of Scatter symbols that activated Free Spins, and can go as high as x 50!
