

The banner features a large, menacing face of the villain Deep Pockets in the center, set against a dark, gothic cityscape with stained glass windows. In the top right corner, there are two smaller framed images: one showing two identical faces of a character, and another showing a character with red hair and dark eye makeup.

Arcane Reel Chaos™

Game Description

Arcane Reel Chaos™ is a 5-reel, 3-row, 20-line video slot in which four heroes protect their city from the evil Deep Pockets. The four heroes - Flare, Chronos, Zero.x and Psyop - each bring their unique super powers to the reels to grant players Stacked Wilds, Multipliers, Multiplying Re-Spins and Overlay Wilds! The game is set within a dystopian futuristic world, and is steeped in the occult. In fact, it is the evil scatter symbol that turned Deep Pockets into the person he is today. The heroes are seeking to destroy it in order to save their city! Bring your best game to this new Netent™ slot – because there will be Reel Chaos!
